OUR PUBLIC SPEAKING TRAINING SERVICE CREED

If Anyone Who Receives Our Training Subsequently Speaks Publicly In A Manner That Causes His/Her Audience To Suggest That He/She Has Been Trained In Public Speaking, It Would Not Be To Our Credit. Our Desire Is For You To Speak With Such Natural Eloquence, Gracefulness, And Intensity, That Your Listeners Would Not Even Begin To Imagine That You Have Been Trained.

In order that we might fulfill our obligation to you, we only ask that you give us your full trust and cooperation. If possible, please come to us with the mental attitude or mindset depicted in the words of the immortal Napoleon, reproduced below. Do that, and the task before us would be halved even before we begin!

"I have SUCCEEDED in whatever I have undertaken, because I have WILLED it. I have never HESITATED, which has given me an ADVANTAGE over the rest of mankind". – Napoleon.
